PRIYA SONI

FULL STACK DEVELOPER

Full Stack Developer with 2 years of hands-on experience. Proficient in developing web applications using ReactJS and NodeJS with ExpressJS. Strong problem-solving skills and a understanding of both frontend and backend technologies. Eager to contribute to innovative projects and continue to grow as a developer.

WORK EXPERIENCE

FLUXBYTE TECHNOLOGIES

2023 - PRESENT

- Worked as a Full Stack Developer at Fluxbyte contributing to various projects and demonstrating expertise in front-end and back-end development
- Collaborated with cross-functional teams to design and implement high-quality software solutions.
- Utilized a wide range of technologies and tools to meet project requirements and deliver high-quality code

PROJECTS

- Developed an **E-commerce** website using React and Tailwind-CSS, offering a comprehensive range of essential skin and hair care products to meet the needs of pregnant women.
- Designed and developed a React Native **Gaming app** offering an Instagram-style social experience customized for the gaming community.
- Developed a **Project management tool** (similar to Trello or Jira) using React and Express.js, enabling efficient management of organizations, projects, and tasks. Integrated Stripe payment gateway and customized an open-source Gantt chart to meet client requirements.
- Developed an **Admin dashboard** using Express, enabling real-time tracking of employee work activity and enforcing restrictions once predefined limits are reached.
